PRESIDENT: All provisions of law relative to procedure having been complied with, the question is, shall the bill pass. All those in favor vote aye. All those opposed vote no. Have you all voted? Clerk will record.

CLERK: Read vote. 37 ayes, 3 nays, 9 not voting.

PRESIDENT: The bill is passed. The Chair recognizes Senator Luedtke.

SENATOR LUEDTKE: Mr. President, I notice on 865A bill which is up next that my name is on there as the introducer. I'm sure that's some kind of an error because I never signed that A bill. I'm sure that should be Senator Anderson and I'm just wondering if as a technicality if we could have that read....move it back to E & R and change that and I don't think it should stop us from... I know we should with the A bill but which would make it impossible to do. But I just raised the question because I can assure you I did not put my name on that bill.

PRESIDENT: All right. Senator Anderson, do you care to respond?

SENATOR ANDERSON: Senator Luedtke wants to take credit for it.....no, I definitely put it in with my name on it. I definitely signed the thing. Beyond that, I'd have to defer to a ruling from the Chair on what to do at this point.

PRESIDENT: All right. Stand by. Let's see what we can do here. Senator Carpenter, for what purpose do you rise?

SENATOR CARPENTER: If Senator Luedtke really has no objection, then what difference does it make?

PRESIDENT: Senator Luedtke, are you objecting to....?

SENATOR LUEDTKE: I don't really have any objection if, I'm sure Senator Anderson doesn't so if you want to go ahead and read it, it's just a technicality anyway.

SENATOR CARPENTER: I move we go ahead and read it.

PRESIDENT: Let's have the concurrence of the Body on this in that the mistake was discovered and it's a legitimate point. Senator Duis. Senator Duis.

SENATOR DUIS: Well, Mr. President, I would have to ask what the original bill contains. I'm not interested in the printed copy we have.....what is the original bill? I can't hear you.

CLERK: It shows Senator Luedtke as introducer.

SENATOR DUIS: The original bill? Thank you.

PRESIDENT: All right. Senator Anderson.

SENATOR ANDERSON: Does the original bill have my signature on it?

CLERK: We don't have the original bill here. I don't know.

SENATOR ANDERSON: But there should have been the A bill that I signed and turned in. Wouldn't that be the....?
